Director of Training

Request for Special Intelligence Clearances

1. I request that Special Intelligence clearances be granted, or reactivated, for the following officers of the Office of Training:

[Redacted box]

2. New and additional requirements are being placed upon this Office in connection with the development and management of Agency training in specialized electronic and communications operations. These individuals, along with others who currently have the necessary clearance, will be involved in briefings and planning discussions during the months ahead. Since certain planning activities need to be started as soon as possible, early action on this request will be appreciated.
